

# 10 Artworks From Artnet's Gallery Network That Our Experts Are Loving This Week

Each week, our gallery liaisons share their favorite works from the Artnet Gallery Network.

**Artnet Gallery Network**, June 25, 2020

Guillaume Linard Osorio

*Euphonie III*

Carvalho Park

Guillaume Linard Osorio, *Euphonie III* (2020). Courtesy of Carvalho Park.

Linard Osorio's paintings on polycarbonate seem precise enough that they resemble digital intervention while maintaining a minimalist painterly quality. The colors that appear to emerge and hide from the magenta monochrome are hypnotic to the eye and bring into question both the architecture of the work and its materials.
