5 Artists the Artnet Gallery Network Is Watching This November

This month, we're looking at artists working everywhere from Brooklyn to Berlin.

Artnet Gallery Network, November 5, 2020

Mimi Jung, “The Subsuming Ellipse” at Carvalho Park, Brooklyn

Mimi Jung, *102417 Pale Blue and Brown Ellipses*, 2020 Courtesy of Carvalho Park

Seoul-born, Los Angeles-based artist Mimi Jung’s woven works combine textiles with the crisp geometric shapes of Modernism. Taking many, many hours to create, the weavings have delicate tonal shifts that are reminiscent of Agnes Martin’s meticulously subtle grids. Meanwhile, Jung’s recurring ellipse motif calls to mind the stark shapes and contrasts of Georgia O’Keeffe’s desert scenes.
